Dyspepsia Is Often Caused By Catarrh Stomach-Peruna Relieves Catarrh of the Stomach and Is Therefore a Remedy For Dyspepsia.

Hon. M. C. Butler, Ex-U. S. Senator from South Carolina for two terms, in a letter from Washington, O., writes to the Peruna Medicine

"I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period and I feel very much relieved. It is indeed a wonderful medicine, besides a good tonic."

CATARRH of the stomach is the correct name for most cases of dyspep-sia. In order to cure catarrh of the stomach the catarrh must be eradicated.
Only an internal catarrh remedy, such as Peruna, is available.

Peruna exactly meets the indications.

Had Church Roof Fixed. Miles Finlen, the rich Montana copper miner, visited some relatives in Bay City, Mich., recently. He attended services in an old wooden church, and while there a rainstorm came up. The roof leaked, and some water fell Finlen's neck. After the services had ended he asked one of the church officials: "Why in blazes don't you give people a decent place to worship "I suspect it's because we haven't the money," was the suggestive reply. Next afternoon material for a new roof began to arrive in front of the church and Finlen walked into the pastor's study with a check for \$750. "Fix up your old roof," is all he said. -Indianapolis News.

RIO GRANDE TRAIN HELD UP BY TWO BOLD BANDITS

Made a Bungling Job of Dynamiting the Safe, and Secured Only \$60 for Their Trouble-Posse in Pursuit.

Leadville, Colo,-Two armed men poarded the engine of Denver & Rio Grande passenger train No. 5 at Malta Tuesday night and, at the point of revolvers, compelled the engineer and fireman to uncouple the express and baggage cars. They then forced the engineer to oull the cars several miles up the road. When the train stopped the bandits went to the express cars and, covering the messenger with their weapons, attempted to blow open the safe. They only succeeded in securing about \$60.

When the train reached Malta two masked men climbed over the tender and, covering the enginemen with revolvers, ordered them to stop the train. This was done and one of the the bandits marched the fireman to the express car, which he ordered uncoupled. This was done so quickly that the rest of the train crew were not aware of what had happened. The fireman and the bandit then leaped aboard the car and pulled up the track. When passing Kildare siding, the conductor of a waiting freight pecting something wrong, notified the local agent. train noticed the flying train and, sus-

Meanwhile the engine and express car sped up the track for about two miles. It was halted and the robbers, forcing the enginemen to walk in front of them, ordered the express messenger to open the door, threaten-ing him with death. One of the robbers attempted to dynamite the safe, but the job was a bungling one, and it is stated that all the money secure

was about \$60 in loose packages. A posse of eleven men, headed by Sheriff O'Mahoney, is in pursuit of the bandits, whose description tallies with that of the mer, who blew open a safe at White Sulphur Springs in Summit county a few nights ago.

Auto Struck a Trolley Pole.

Cleveland, O.-An automobile, owned by M. J. Maudlebaum, a banker, while running at a high rate of speed on Detroit avenue, struck a trolley pele at Kenilworth avenue, in Lakewood, a suburb, and exploded. Every one of the four occupants of the car was injured and two may die. The collision and explosion seemed to be simultaneous. The fifteen gallons of gasoline in the reservoir of the machine let go with a roar and enveloped all four persons in flames.

Vesuvius Dust Traveled Far. Paris was overspread with a dry, yellowish fog the morning of April 11 of this year. A sicentist, believing that the fog had been caused by the eruption of Mount Vesuvius, placed upon the roof of his dwelling a series of plates covered with glycerin to catch the dust in the fog. It was found that part of the deposit on the plates was a very fine sand, completely identical with the ash sent up by Vesuvius in 1822. In addition to this sand the fog contained some perfectly spherical globules of oxidized iron.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never he used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toiedo, O., contains no mercury, and is taken internally, acting directly upon the blood and nucous surfaces of the system. In buying Hail's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co., Testimoniais free. Bold by Druggists. Frice, 75c, per bottle.

Gasoline and Alcohol. The greater safety of alcohol, as compared with gasoline for commercial uses, is due to the fact that it will not ignite from pure radiated heat, as gasoline does; that water will extinguish burning alcohol while it will only spread a fire of gasoline, and that the flames of burning alcohol radiates very little heat while that of gasoline radiates heat very rapidly.

Makes Celluloid Fireproof. M. Gavain, a French chemist, has patented a process for rendering celluloid proof against fire. This result is obtained by adding to a celluloid mass in course of preparation, when at the highest point of liquidity, a certain quantity of salts-phosphates, bicarbonate of ammonia, or magnesia. Celluloid thus prepared, when touched by fire or flame, gives forth a gas that checks combustion.
